 Rue Jean Oestreicher  
 75017 PARIS

**Private street access: You can access the exhibition hall on Rue Jacques Ibert**

Restricted to vehicles under 3.30 metres high and 8 metres long. The access street to the square is a fire lane shared with the Paris Chamber of Commerce; parking is therefore prohibited. Exhibitors must unload and load their vehicles very quickly in the lower part of the square and leave the area immediately after unloading or loading. Traffic officers are recommended to keep traffic moving.

**Service lift access: The entrance to both service lifts is located on Rue Caporal Peugeot**

They can be used to load and unload trucks that are too big to use the private street. Both service lifts operate from 7:00 am until 10:00 pm according to a schedule set up by Viparis and the organiser. Service is provided by authorized security firms. Maximum load: 9 metric tons for each skid  
 Skid size: 2.50 m x 5 m
